ORDER REGARDING INSPECTION AND REPORT

At a session of said Court, held in the Courthouse in the City of Detroit, County of Wayne and State of Michigan on April 1, 1977

PRESENT: HONORABLE John Feikens

This matter having come on before the Court for hearing, the Court having heard oral argument and being otherwise fully advised in the premises, IT IS HEREBY ORDERED THAT:

1. Representatives of the Detroit Water and Sewerage Department Industrial Waste Control Division will, within seven (7) days of the date Production Plating, Inc. notifies counsel for the Detroit Water and Sewerage Department that Production Plating is ready for an inspection of the proposed batch discharge and wastewater treatment system installed by Production Plating, Inc., inspect the proposed batch discharge and wastewater treatment system.
2. Within seven (7) days of the date of the inspection of the proposed batch discharge and wastewater treatment system, the Detroit Water and Sewerage Department will provide this Court with a report regarding the acceptability of the proposed batch discharge and wastewater treatment system.
3. In the event the report provided to this Court under Paragraph 2 above concludes that the

proposed batch discharge and wastewater treatment system is acceptable, within two (2) business days of the submission of the report, the Detroit Water and Sewerage Department shall submit an order requiring compliance and permitting interim discharge of pretreated wastewater for a period of ninety (90) days.

IT IS SO ORDERED

HONORABLE JOHN FEIKENS
